“With over 35 years experience of custom-made solutions for the wire, cable and plastic industry, we are a partner you can rely on!”

Industries We're Working With

These are some of the industries in which you can find, or use Subec products.

Quite a lot of our manufacturing is custom-made.

Feel free to give us a call or send us an e-mail, telling us about your needs. If you don't have any drawings of your idea, we'll help you out with those!
